Hello Professor,

This is the ACM-W Team at UTSA, and we hope that you are doing well. We are hoping you are able to pass on information about ACM-W to your students. We will have monthly newsletters going out that students can sign up for; I have attached that link below. I will also go ahead and link ACM's YouTube channel where yourself and your students can reference ACM and ACM-W's meetings from last semester if you wish to do so. We appreciate your time and feel free to contact us at this email with any questions and/or suggestions. Thank you!
