Subject: Mid Term grades for CS 4483 (not applicable to CS 6393)

Dear Class:

As required by UTSA I have posted midterm grades for students registered in CS 4483. As you all know, at this point there is no basis for me to assign a meaningful grade. For convenience I have assigned everyone an A. Please do not read anything into that grade. I would like all of you to score an A at the end of the semester. That is largely in your hands!

I will be following up with several important emails very soon. Please keep an eye out for these.
