Subject: Course Evaluations Close on April 28. Will earn a Virtual Attendance.

Students are strongly encouraged to participate in the evaluation process in order to help improve this course. UTSA has informed me that evaluations may be easier to complete on a computer rather than a mobile device.

All responses are completely CONFIDENTIAL - comments and actual responses are recorded in a separate database. However UTSA does inform instructors as to which students responded. As per UTSA policies students who do respond will be given a modicum of extra credit (roughly equivalent to 1 virtual attendance in our case).

Please do respond by Wednesday April 28, 2021 and thanks to those who already have.
